

Newtown State School – Student Dress Code 2026-2027

The school uniform is accepted as normal attire for students attending Newtown State School and as listed in the signed enrolment agreement, parents enrol their children at this school on the understanding that the full uniform will be worn at all times. The wearing of a school uniform encourages a sense of school identity and team spirit and prevents discrimination in respect to the quality or fashion of clothing. Uniforms are generally hard wearing and practical in design, and can last throughout a school year or longer. Uniforms that are worn are expected to be in good condition. The following guidelines are to be followed:

- The wearing of jewellery is not necessary as it can pose a safety hazard and is at risk of breakage and theft. It must be kept to a minimum, e.g. a watch. With regards to earrings, plain studs or sleepers are safe and appropriate. Necklaces and bracelets worn solely for adornment are not allowed. Make-up and nail polish is not permitted. Lip balm is to be clear in colour. Nails should be kept trimmed (false/cosmetic nails are not permitted) and hair should be tied back and off the face with school-coloured bands and ties. Please ensure hair colour is of a natural colour and hairstyles enable wearing of the school hat.
- The Physical Education teacher has the responsibility for advising students either individually or as groups concerning particular dress requirements necessary for physical activities. Parents and students are expected to conform to these requests.
- The Principal will advise parents and students on any dress requirements for special events, e.g. school photographs, sporting events or excursions.
- As part of our 'sun safe' requirements all students are required to wear a broad brimmed hat at our school. It is expected that the hat is maroon in colour. **Caps of any description are not permitted.** Any child with incorrect headwear will not be permitted to play.
- On free-dress days or non-uniform school events, clothing with offensive logos or lettering or immodest styles of dress must not be worn. At all times clothing must be sun smart; collars and sleeves.
