Snapshot report

Under the Investing for Success Agreement for 2017
Newtown State School received $265 600

Our full 2017 agreement can be found at: https://newtownss.eq.edu.au

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Providing focused and intensive teaching targeted in response to monitoring of student progress
- Building teacher and teacher aide capability in embedding CAFE Model of Reading Assessment and Instructions and Word Study
- Building teacher capability in analysing student performance data to develop differentiated programs to improve individual student outcomes
- Supporting early reading development by facilitating optimal transition activities through partnerships within the birth to 8 sector (parents, community organisations, early years educators in ECEC centres)
- Building leadership capability to develop dynamic teams focused on improving specific learning outcomes
- Utilising the principles of Positive Education and Growth Mindset to help students achieve their reading goals
